Parents,

My price list has been worked around a 30 class per year calculation. I try to make the time off as fair as possible for each class. There are extra days allotted for snow days or other emergencies. Please consult the calendar because we go by the Pelham School District's schedule, MOST of the time, but there are some ODD days off. DAYS MIGHT BE ADDED TO THIS LIST YOU WILL BE INFORMED BY EMAIL!

In case of bad weather, please call the studio after 12 noon (738-5277) or go to the website or facebook @Jump Dance Center for class cancellations.

There will be only 2 make up classes allowed for each student. Consult with your child's teacher about what class may be substituted.
